ARTICLE IX- EXTENSION OF CONTRACT TIME

Should the amount of additional work of any kind or other special circumstances of any kind whatsoever occur such as to fairly entitle the CONTRACTOR of an extension of contract time, the OWNER shall determine the amount of such extension, provided that the OWNER is not bound to take into account any claim for an extension of time unless the CONTRACTOR has prior to the expiration of the contract time and within thirty (30) calendar days after such work has been commenced of after the circumstances leading to such claim have arisen, delivered to the OWNER notices in order that it could have investigated them at that time.
