PHILIPPINE SCIENCE HIGH SCHOOL - CALABARZON REGION CAMPUS

Certificate No.: SCP000420Q

DATE : **SEPTEMBER 24, 2023**

TO : **FACULTY, STAFF, STUDENTS, AND PARENTS**

FROM :  **REX S. FORTEZA**
Campus Director

MEMO NO. : **MEM-OCD-2023-016**

SUBJECT : **ADVISORY ON CLASS SCHEDULES - TAAL VOLCANO ALERT LEVEL 1**

According to the latest report from the Department of Science and Technology - Philippine Institute of Volcanology and Seismology (DOST-PHIVOLCS), as of September 24, 2023, Taal Volcano's recent activities have been categorized under Alert Level 1. This classification indicates that the volcanic activity is currently at a relatively low level, but still necessitates careful monitoring.

In light of this information, regular classes will continue as scheduled this coming week (25-29 September 2023). However, please take note of a slight adjustment due to Memorandum Circular (MC) No. 32 released by Malacañan regarding Kainang Pamilya Mahalaga Day. Campus operations on **September 25, 2023 (Monday)** will be suspended from 3:00 p.m. onwards (Please refer to the attached schedule). Please coordinate with the respective homeroom advisers for specific details about the schedule changes. Regular classes will resume on September 26, 2023.

If DOST-PHIVOLCS raises the alert level concerning the Taal volcano's activity that poses an imminent danger to our scholars and personnel, we are prepared to shift to a remote learning setup. Detailed class schedules for remote learning will be communicated by another advisory.

As this is a developing situation, we urge everyone to stay tuned for important updates regarding classes and school operations. Rest assured, we will closely monitor our conditions and act accordingly. We appreciate your unwavering support during these trying circumstances.

Keep safe everyone and thank you.

PHILIPPINE SCIENCE HIGH SCHOOL - CALABARZON REGION CAMPUS

Certificate No.: SCP000420Q

PETSA : **SEPTEMBER 24, 2023**

PARA SA : **FACULTY, STAFF, STUDENTS, AND PARENTS**

MULA KAY :  **REX S. FORTEZA**
Campus Director

MEMO NO. : **MEM-OCD-2023-016**

PAKSA : **PATNUBAY SA ISKEDYUL NG KLASE - TAAL VOLCANO
ALERT LEVEL 1**

Ayon sa pinakahuling ulat mula sa Department of Science and Technology - Philippine Institute of Volcanology and Seismology (DOST-PHIVOLCS) nitong ika-24 ng Setyembre, 2023, ang bulkang Taal ay nasa ilalim ng *Alert Level 1* base sa mga pagkilos at aktibidad nito. Ang *alert level* na ito ay nangangahulugang ang mga aktibidad ng bulkan ay nasa mababang antas ngunit nangangailangan ng maingat na pagsubaybay.

Kaugnay nito, magpapatuloy ang mga klase gaya ng nakagawian ngayong linggong paparating (25-29 September 2023). Gayunpaman, mayroon lamang ilang pagbabago sa mga iskedyul ng mga klase bilang pagsunod sa direktiba ng Malacañan na nakapaloob sa **Memorandum Circular (MC) No. 32** ukol sa pagdiriwang ng araw para sa *Kainang Pamilya Mahalaga*. Ang mga klase at gawain sa kampus sa **September 25, 2023 (Lunes)** ay magtatapos sa ika-3 ng hapon (Mangyaring tingnan ang kalakip na iskedyul ng mga klase). Hinihiling ang lahat na makipag-ugnayan sa kani-kanilang gurong tagapayo para sa detalye at katanungan ukol sa mga pagbabago sa iskedyul. Ang mga klase sa mga susunod na araw ay magpapatuloy gaya ng nakagawian.

Sa pagkakataong magtaas ng nibel ang DOST-PHIVOLCS hinggil sa aktibidad ng bulkang Taal na maaaring magdulot ng panganib sa ating mga iskolar at empleyado, handa ang ating paaralan na lumipat sa *remote learning setup*. Ang detalyadong iskedyul ng mga klase para sa *remote learning* ay ilalakip sa mga susunod na patnubay.

Dahil ang ating kalagayan ay sadyang pabago-bago, hinihimok ang lahat na matamang umantabay sa mahahalagang paalala at patnubay ukol sa mga klase at gawain sa kampus. Makakaasa ang lahat na masusing nakasubaybay ang ating kampus at nakahandang kumilos kung kinakailangan. Hinihiling namin ang suporta at pang-unawa ng lahat sa panahong ito ng kalituhan at panganib.

Hangad namin ang kaligtasan ng lahat. Maraming Salamat.
