PHILIPPINE SCIENCE HIGH SCHOOL - CALABARZON REGION CAMPUS

Certificate No.: SCP000420Q

OFFICE OF THE CAMPUS DIRECTOR

DATE : 09 October 2023

TO : PSHS CALABARZON Students, Parents, and Employees

FROM : 
REX S. FORTEZA
Campus Director

MEMO NO. : MEM-OCD-2023-018

SUBJECT : **Advisory on Resumption of Face-to-face classes by October 11, 2023 (Wednesday)**

In consideration of the current situation, while we are awaiting the advisory from the local government unit (LGU), we have taken into consideration the Taal Volcano Summary of 24-hour Observation released by the Department of Science and Technology - Philippine Institute of Volcanology and Seismology (DOST PHIVOLCS) as of October 9, 2023. According to the latest report, the alert level remains at Level 1.

Given this information and as an additional precaution, we have decided to **proceed with online classes on October 10, 2023 (Tuesday)**. Teaching personnel may again opt not to report to campus while non-teaching employees will be in-campus.

We emphasize the importance of maintaining safety precautions during this time. Interns are asked to continue wearing face masks while on campus and adhere to any additional safety measures that may be implemented.

Scholars are expected to return to the campus for their **face-to-face classes on October 11, 2023 (Wednesday)** if the fair condition of the atmosphere continues.

Please be assured that we are closely monitoring the situation, and we will keep you updated as new information becomes available. The safety and well-being of our students and staff remain our top priority.

Thank you for your understanding and cooperation. Let us all work together to ensure a safe and productive learning environment for everyone.
